

MY DEAR FRIEND NOTES BRIGHTEN THE LIVES OF SENIORS

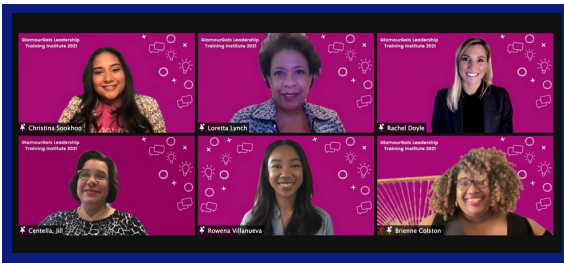

Surpassing our first milestone with 13,000 notes we met our financial match and already reached isolated seniors in 152 senior homes across the country.

With continued momentum engaging 13 NEW college campuses, over 1,100 volunteers from the broader GG community, and companies like HSBC, Panasonic, Twitch, Stensul, Farmers Insurance, and Greenberg Traurig, LLP, our work continues this January. Join us to reach our 20,000 note goal!

19TH ANNUAL GLAMOURGALS LEADERSHIP TRAINING INSTITUTE

100% of teen volunteers felt empowered from the event.

Our virtual event featured a dynamic conversation between former United States Attorney General Loretta Lynch and GlamourGals Alumna Christina Sookhoo complemented by an interactive affirmation writing session with Brienne Colston.

GLAMOURGALS CHAPTER CREATIVITY FUND

Facilitating creativity that extends visits with senior residents.

GlamourGals provides structure and support on a national scale to teen volunteer chapters through our Chapter Creativity Fund. Each chapter can brainstorm and organize additional interactive programming in the senior home with our support. Ultimately these activities lead to more interactions with senior residents. From flower crowns to holiday crafts to decorations and more - our volunteers make seniors feel special all year round.

NEW FUNDING

Resources to expand our mission to end elder isolation.

This Fall we were awarded a new grant from Tom's of Maine, to complement our existing grants from Winifred Johnson Clive Foundation, Network for Good, and the Barbara Bradley Baekgaard Family Foundation. Each of these grants allows us to expand our mission to reach more communities and engage volunteers across the country.

TEEN VOLUNTEER CHAPTER IMPACT

650

reflective journals written by volunteers.

333

intergenerational events hosted by chapters.

50

communities across the country served.
