

GlamourGals Inclusion Statement:

GlamourGals Foundation Inc. is a values-driven organization that believes in diversity, inclusion, and belonging. Together, these values, when continuously pursued, will create an equitable ecosystem in which our employees, volunteers, partners, and communities we serve can thrive equally.

GlamourGals is committed to building an organization that is representative and accepting of all identities. We also remain committed to creating an organization where all voices are heard, listened to, and valued, specifically those of underrepresented and marginalized groups. These actions will allow our employees, volunteers, and partners to be the change-makers we all desire in their respective communities.

We have always believed in the power of empathy and building connections. These values are coming to life as we facilitate meaningful conversations around diversity, inclusion, and belonging for our volunteers and all members of our communities.
